

**Girl Scout Council of Colonial Coast  
GIRL SCOUT CAVING TRIP**

**IMPORTANT – READ ALL CAREFULLY!**

**\*\*\*Remember times!!!** Leave parking lot at **5:30** p.m. When you arrive, sign up for a van with Theresa or Lead Adult and get your I.D.

**\*\*\*Sunday back around 4:00 pm**

**ANY GIRL WHO DOES NOT FOLLOW HER SIGNED PARTICIPANT/PARENT AGREEMENT, INCLUDING REFUSING TO WEAR A SEATBELT OR BEING RUDE TO A CAVE OWNER, WILL NOT BE ALLOWED TO RETURN!!** Adults must accept existing rules or not be part of the group.

**PACK CAREFULLY!!** Leave non-essentials at home! If we have to add another vehicle for gear, we may have to take one less caving group. Each person on trip must have their own gear packed.

**SUNDAY LUNCH** – We will be eating in Charlottesville at the Liberty Gas Station. **Girls and Adults must buy their own lunch.** Girls will wait at van or outside the restaurant for the rest of group. Girls will **NOT** go wondering around the shopping mall!

**THIS TRIP** – We will be staying at the Organ Cave Community Center, in the town of Organ Cave, West Virginia.

**IT WILL BE COLD!!!** Even if it is warm here when we leave, bring warm clothes. Also, bring a blanket for under your sleeping bag. If you choose to use an air mattress/air bed, it must be a single unless you plan to share with another girl in your group.

While we are in West Virginia, our emergency contact will be Theresa Wiggs (757)672-4951 or David Wiggs (757)544-1406.

**NOTE:** Rookie adults will be in training to learn about caving and become familiar with the caves we explore. It takes several trips before a Rookie adult is eligible to be a #1 or #2 group leader.

**NOTE – VAN/TRUCK OWNERS CARRYING GIRLS OR GEAR–** We pay the gas! Please fill up before arriving at the pick up point.

Our top priority is **SAFETY**, then cave conservation and helping Girl Scouts to have this unique caving experience.

**REMEMBER, THESE TRIPS ARE FOR THE GIRLS!!!**
